TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

(L. S.)

To the Inhabitants of the Town of Hampton Falls in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Hampton Falls on Tuesday, the Fourteenth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To determine whether the Town of Hampton Falls will transfer title to the land upon which the Hampton Falls School is to be erected to the Hampton Falls School District, said title to revert to the Town of Hampton Falls if by circumstance the school is not erected and said title to revert to the Town of Hampton Falls at such time as said land is not occupied by a school house.

4. To determine whether the Town of Hampton Falls will authorize the Hamptons' Post No. 35 of the American Legion to decorate the graves of Hampton Falls veterans of America's wars with appropriate markers and ceremonies, and whether the Town of Hampton Falls will raise and appropriate the sum of one hundred dollars (\$100.00) for said decorating and ceremonies.

5. To see if the Town will raise and appropriate the

sum of \$231.53 for Town Road Aid, the State to contribute \$926.12.

6. To see if the Town will raise and appropriate the sum of \$600.00 to install new flush toilets in the Town Hall.

7. To see if the Town will raise and appropriate the sum of \$215.00 to purchase a sand spreader for the Highway Department.

8. To see if the Town will raise and appropriate for economic advancement of the town through publicity and promotional services of the Seacoast Regional Development Association, in cooperation with other regional communities, a sum not exceeding one hundredth of one percent of assessed valuation, namely \$112.00.

9. To see if the Town will vote to give the Selectmen authority to sell any property acquired by tax sale.

10. To see if the Town will vote to give the Selectmen power to borrow money in the anticipation of taxes.

11. To see if the Town will vote to transact any other business that may legally come before this meeting.

Given under our hands and seal, this twenty-seventh day of February, in the year of our Lord nineteen hundred and fifty.

JAMES H. THURLOW,
WALLACE H. BATCHELDER,
WILLIAM W. MARSTON,

Selectmen of Hampton Falls.

A true copy of Warrant — Attest:

JAMES H. THURLOW,
WALLACE H. BATCHELDER,

HAMPTON FALLS SCHOOL DISTRICT

Louis B. Janvrin, treasurer	\$12,543.46
-----------------------------	-------------

HAMPTON FALLS VOLUNTEER FIRE DEPARTMENT

Before we got the fire truck in November we had several dump and brush fires as follows:

May — Grass fire near Carter Barn; Woods fire back of Charles Green.

June — Woods fire Hervey Kents back of dump; Three fires at dump.

July — Dump fire; Grass fire at C. A. Newcombs; Brush fire at high tension line.

August — Woods fire back of Pevears.

The Exeter fire department was called for the fire at Charles Green's and the woods fire at Mr. Kent's and Mr. Elton's and Mr. Platt's tank trucks were called for two of the dump fires.

We also burned the grass at George Brinkman, William Cannon's, Mable Chase's and David Tower's.

The fire truck arrived November 21 and two days later we were called to a brush fire on the new road at 9 p. m. On Nov. 28, at 2:15 a. m. we were called for fire at Emmons Loom Binder shop. The Garage and shop total loss and small damage to end of house. Hampton and Seabrook were called to this fire. If it had not been for the five hundred gallons of water on our truck the house would have been very badly damaged if not lost.

Dec. 25 — 1.30 p. m., chimney fire at Miss Frances Healey.

Dec. 28 — 12:00 p. m., brush fire at Cock Hill.

Jan. 17 — 5:00 p. m., brush fire at dump.

Feb. 1 — 8:15 a. m., chimney fire at J. Riley. Exeter was called to this fire before we got the call.

The volunteer men have done a very good job on the fire station and although we need more funds to finish

the meeting room up stairs and the bunk room, we have paid most of the bills with money from donations and loans. We are also grateful for the help of the Auxiliary, who have given money for hose and coats and chairs.

Most of the lumber for the station was cut by volunteers and the logs were taken to Rands at Rye where they were cut and stuck last spring.

The lot was purchased by a gift from an unknown person from Mr. Brown, and was graded by R. W. Watkins and the floor was poured by Armas Guyan in June and there was no money spent for labor after the building was started.

The costs of the building are:

Grading	\$1,000.00
Fill	117.80
Labor on floor and manholes	217.13
Building materials and overhead doors	1,527.84
Standing timber	27.96
Sawing and milling 9,831 feet	222.48
Plumbing supplies and septic tank	226.70
	<hr/>
	\$3,339.91

In case of fire call:

SCHOOL REPORT

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Hampton Falls qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 13th day of March, 1950, at 10 o'clock in the forenoon to act upon the following subjects:

1. To choose all necessary School District officers for the year ensuing.
2. To choose a Moderator for the ensuing year.
3. To choose a Clerk for the ensuing year.
4. To choose a Treasurer for the ensuing year.
5. To choose a member of the School Board for the ensuing three years.
6. To determine and appoint the Salaries of the School Board and Truant Officer and fix the compensation of any other officer of the district.
7. To hear the reports of agents, auditors and committees, or officers chosen, and pass any vote in relation thereto.
8. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
9. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district,

and to authorize the application against said appropriation of such sums as may be received from the state equalization fund together with other income.

10. To see what action the District wishes to take with reference to costs of transportation for pupils attending schools not serviced by regular district transportation and raise and appropriate necessary sums for same.

11. To see if District will vote to instruct the School District officials to keep all records pertaining to the School District in the files provided for this purpose in the School House.

12. To see if the School District will accept the land acquired from Mrs. Elsie Cannon for playground purposes and raise and appropriate the sum of six hundred dollars (\$600.00) for same.

13. To see what action the District wishes to take regarding fire insurance coverage on the new school house and to raise and appropriate necessary sums for same.

14. To take up any other business that may legally come before this meeting.

Given under our hands at said Hampton Falls this —th day of February, 1950.

LIONEL G. LaGUARDIA,
ROBERT G. PERFECT,
JOHN G. CRAM,
School Board.

A true copy of Warrant — Attest:

LIONEL G. LaGUARDIA,
ROBERT G. PERFECT,
JOHN G. CRAM,
School Board.

REPORT OF SCHOOL BUILDING COMMITTEE

After several meetings of the committee the plans for the new school were put out to bid and were received and opened at the Town Hall in December.

There were ten bids received and varied from \$48,000.00 to \$65,000.00, but by using the low sub-bids we were able to let the contract to the Hutchingson Building and Lumber Co., of Concord, N. H., for the sum of Forty-four Thousand Four Hundred Thirty-seven Dollars Eleven cents (\$44,437.11).

The balance of the Building fund is to be used for equipment and grading which is estimated to cost Fifty-one Hundred Eighty-eight Dollars, (\$5,188.00).

The building will be started as soon as weather permits and will be completed by August 1, 1950.

At a meeting of the committee on September 6, 1949, it was a unanimous vote that the building committee were to receive no pay for their services.

The building will consist of two class rooms, an activity and lunch room, kitchen, teacher's room and two toilets, and will be heated by circulated hot water with the boiler room under the toilets.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Hampton Falls: I herewith submit to you my twentieth report as Superintendent of your schools.

The current year began Wednesday, September 7, 1949, with an initial enrollment of forty-four pupils, nineteen in the three upper grades, and twenty-five in the three lower grades. Fourteen pupils were registered in the Hampton Junior High school, thirty in Hampton Senior High school. Seven additional children were attending other secondary schools.

With the construction of our new school building, Hampton Falls has taken a step forward in its educational plan. The building will house grades one to six for some time to come. The two rooms are acceptable in size, well lighted, and, all-in-all, attractive and efficiently arranged. By unusual compactness of arrangement, a great deal of pupil space is available in a small building.

The activity room is really a dual purpose room, since it may be used by the pupils for physical training, for assemblies, for motivation of the regular school subjects, and also as a lunch room. This activity room would give opportunity for larger units of work. One good means of testing the ability to get meaning from that which is read is to "act out" the thought of the passage read. It is in the activity room that the teachers can best study the individual characteristics of the children. The child who is socially maladjusted can be discovered best when engaged in informal activity. The self-centered child will reveal this tendency while at play or while engaged in a definite project in which he must work with others. The recitation period is, of

necessity, more of an individual process. Children must be taught to work together. It is by this group activity that they learn to adjust to each others characteristics. Although methods are informal, it is one of the best means by which the teacher studies the individual child. Each child has the right to be treated differently from any other child. The means by which one child learns may be far different from that by which another learns.

The adjoining kitchen is conveniently placed so that no extra step will be needed when lunches are served. A lunch program is now an essential part of any school organization. If this is federally aided, well-balanced meals may be served at little cost to the pupils or the sponsoring organization. A warm lunch has a beneficial effect upon the children and, I feel sure, upon the excellence of their work.

Your schools, as all schools of Union No. 21, are always tested by approved standard tests. These measure the results of the studies taken by our pupils and assure us that the schools are judged by the same standards as are most modern schools throughout the United States. A further guarantee is the quality of work done in the secondary schools which our children attend.

With a modern school building, taught by trained teachers and with suitable equipment, Hampton Falls will continue to advance at a pace equivalent to other schools of like grade.

Respectfully submitted,

ROY W. GILLMORE,

Superintendent of Schools

January 30, 1950.

REPORT OF SCHOOL NURSE

Following is the report of the school nurse for the year 1949.

Annual school examinations were made in June by Dr. Coleman, assisted by the school nurse.

	Number of cases	Defects corrected
Nutrition	2	
Vision	2	
Posture	3	
Teeth	2	Temporary 51
Tonsils	4	Permanent 10
Cervical glands	3	
Hernia	1	
Communicable diseases	0	

The dental clinic was conducted by Dr. Pierson during the months of May and June 1949. Twenty-five children received complete treatment. All children were transported by the nurse.

The patch test was given to all children in November. All were negative.

A pre-school clinic was held in June 1949. This clinic has always been held to enable the parents to have the child examined and vaccinated before entering school in September.

REPORT OF FOREST FIRE WARDEN

Forest Fires — Our Most Shameful Waste

Everyone apparently fears fire but too many are careless with it. This is particularly true of fire in and near woodlands. Official figures show that more than 98 percent of all forest fires result from human carelessness and can be prevented. Consequently, we may say "Forest Fires are our most shameful waste."

Annual forest fire losses are tremendous and their effects far-reaching. Such fires destroy raw products of the forests, the protection forests provide for game and the supply of ground water. They upset local economies by drawing men from gainful employment and requiring the expenditure of public funds to extinguish them.

Our forest fire organization is doing a good job in keeping the size of fires small but the number of fires is increasing. In 1949 there were 100 more fires in New Hampshire than in 1948, but they burned 500 acres less. For the warden and his deputies to do the job they are capable of, they must have the cooperation of the public — YOU!

The primary objective of all fire fighters is PREVENTION — fire stoppage. This is the goal toward which your local fire warden and his deputies are constantly working. It can be achieved ONLY if YOU and YOU and YOU cooperate with them. It is worth YOUR effort and can be accomplished by:

1. Being careful with fire in or near woodland, being particularly careful with matches and cigarettes.
2. Securing the required written permit from the warden when the ground is not covered with snow.
3. Insisting that others be careful and comply with burning requirements.
4. Calling the warden promptly when fire is detected and aiding him to extinguish it.

Let's reduce the number of forest fires and eliminate our most shameful waste.

1949 Fire Record

Number of Fires	4
Acreage Burned	4½
Number of fire permits issued	37

PERLEY E. LADD,
Forest Fire Warden.

MERTON A. WEBBER,
District Chief.
